

ANOTHER MILESTONE IN THE GROUNDBREAKING GLOBAL ONE MULTINATIONAL PROJECT – KUALA LUMPUR ADDS IT'S DISTINCTIVE MARK!

We are delighted to announce that Dayang Nurfaizah, whose incredible vocal range has earned her numerous awards marking her as one of Malaysia's top pop divas, has recorded a collection of 5 songs for the Global One music Project together with Daly one of the movers of the powerful 'dikir' music scene.

The recording took place in Kuala Lumpur in August this year. During a series of intense energy filled sessions Dayang recorded all 5 songs for the Global One Project: *Lately, My Heart, In the Room, In My Head, Tossin`n`Turnin*. Two of five songs (*Lately* and *Tossin`n`Turnin*) have been recorded together with Daly, the Malaysian rapper and a member of AhliFiqir group.

"I am so happy to join Global One Project, I fully support their philosophy of exploring the power of music together with uniting people through the common language of music with all my heart" – said Dayang Nurfaizah after the recording.

Global One is a worldwide initiative to record songs with local multi-platinum selling artists in their own languages in over 20 countries spanning 5 continents around the world. The songs will be released on a double CD compilation. CD1 will feature domestic and international (English) versions of the collection of Global One songs as well as selected other language versions and some of the multi language mega-mixes. CD2 will be a compilation featuring some of the biggest hits from each of the artists who are involved in the project.

Charlie Dilks (the Chief Operating Officer of Global One and responsible for A&R) added "We are delighted to have such a great contribution from Dayang and Daly. Global One is founded and built on the idea of the best in the world from all around the world. We have proved this is possible, and hope this album will be a landmark in showcasing the best from around the world to the world."

The album is to be released through key record companies in all of the countries around the globe.

Global One album will be released in March 2009.
